DETAILED ACTION

Receipt is acknowledged of applicants' amendment and remarks, filed on 1 February 2010.

* * * * *

Response to Amendment

The reply filed on 1 February 2010 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s); See 37 CFR 1.111:

The following is a quotation of 37 CFR 1.212(c)(2): When claim text with markings is required. All claims being currently amended in an amendment paper shall be presented in the claim listing, indicate a status of "currently amended," and be submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claims. The text of any added subject matter must be shown by underlining the added text. The text of any deleted matter must be shown by strike-through except that double brackets placed before and after the deleted characters may be used to show deletion of five or fewer consecutive characters. The text of any deleted subject matter must be shown by being placed within double brackets if strike-through cannot be easily perceived. Only claims having the status of "currently amended," or "withdrawn" if also being amended, shall include markings. If a withdrawn claim is currently amended, its status in the claim listing may be identified as "withdrawn— currently amended.".

The version of claim 27 in the amendment filed on 1 February 2010 does not comply with 37 CFR 1.212(c)(2) because language from the immediate prior version of

Art Unit: 1615

the claims (filed on 29 September 2009) has not been presented with a strike-through; e.g. “exhibits” and “of”. Further, language currently presented as added subject matter and underlined was previously presented in the immediate prior version, and language removed from the immediate prior version was presented in the current claim set with strike-through. As such, it is unclear what claim language applicants intend to add, cancel, and maintain. Compliance with 37 CFR 1.212(c)(2) is required.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
